Your first answer gave you a great definition of Nephritis. My physician spouse says, however, that they had a few different types of terms back then. He suggests in order to be sure of the other that you get hold of a turn of the century medical dictionary. If that doesn't work, send me a note and I'll have him look in his current dictionary at the office to see if he can find other possibilities.

Art thou not a sunbeam
O child, whose life is glad.

But must die or shine.

Dear Emma.

The time is swiftly passing by.
When we must bid adieu.
We know not when we meet again,
So these lines I leave with you.
When rocks and hills divide us.
And you no more I see.
Just take your pen and paper.
And write a line to me.
